## **Chapter 11 Trustee Comments and Disclaimers to the September 2023 Monthly Operating Report (“MOR”)**

The Chapter 11 Trustee (the “Trustee”) reserves all rights to amend or supplement the MOR in all respects, as may be necessary or appropriate. Nothing contained in this MOR shall constitute a waiver of any of the Trustee’s or the estate’s rights or an admission with respect to the Chapter 11 Case.

The Trustee is filing the MOR solely for the purpose of complying with the monthly operating requirements applicable in the Debtor’s Chapter 11 case. The MOR is in a format acceptable to the U.S. Trustee for the Central District of California, Los Angeles Division. The MOR should not be relied upon by any persons for information relating to current or future financial conditions, events, or performance of the estate.

In preparing the MOR, the Trustee relied upon financial data derived from the limited books and records available at the time of preparation. Subsequent information or discovery may result in material changes to the MOR and errors or omissions may exist. Notwithstanding any such discovery, new information, or errors or omissions, the Trustee does not hereby undertake any obligation or commitment to update the MOR. There can be no assurance that the financial information presented herein is complete, and readers are strongly cautioned not to place undue reliance on the MOR.

The information and financial activity contained in this MOR reflect only the bank accounts and assets currently under the Trustee’s direct control. The Trustee has reason to believe that Debtor bank accounts and/or bank accounts in the name of Debtor-related entities, presently outside of the control of the Trustee, have been used to receive and send funds that rightfully belong to the estate. The Trustee also has reason to believe that the Debtor has impermissibly made payments on pre-petition debts and has incurred post-petition debts. Efforts are ongoing to confirm and control such activity; however such activity is not presented in this MOR due to a lack of information.

[1] The Trustee was appointed on May 24, 2023 and the Trustee or his representatives have reviewed the February 2023 and March 2023 monthly operating reports (“February 2023 MOR” and “March 2023 MOR”) to identify the bank accounts used and gathered additional, but incomplete, information in order to prepare the July 2023 monthly operating report. The Debtor filed the April 2023 monthly operating report (“April 2023 MOR”) on August 8, 2023. The Trustee reserves the right to amend this and any subsequent MOR upon receipt of any additional relevant information.

[2] The Trustee considered transfers between bank accounts that were included in the February 2023 MOR and March 2023 MOR as a transfer between accounts and did not include these transfers as receipts or disbursements. However, if a bank account was not previously included in the February 2023 MOR or March 2023 MOR, the Trustee considered transfers involving these accounts as receipts and disbursements, with one exception. The Trustee considered the transfer of \$36,300 to Bank of the West (“BotW”) on May 22, 2023 as a transfer and not a disbursement in determining the total disbursements for calculating the quarterly fee. This is because the Debtor indicated this transfer was to open new Debtor-In-Possession accounts. These accounts were closed and most (but not all) of the funds in the BotW accounts were transferred to the Trustee on July 12, 2023. As of the date of the filing of the July 2023 MOR, the Trustee has not received the BotW bank statements or the supporting documents and is unable to verify certain data presented, however the Trustee believes that the difference between the

funds transferred to BotW on May 22, 2023 and the funds received from BotW on July 12, 2023 represents bank fees charged.

[3] The Trustee also has brokerage account statements from the Morgan Stanley Brokerage account ending in -4523 for May 2023 but has not received statements for June 2023, July 2023 or August 2023. This account is included in the current assets of Part 2d at the May 31, 2023 balance amount.

[4] Part 7: Questionnaire – During this reporting period: Trustee’s additional information relating to his response to 7a.

In September 2023, the trustee received information from a representative of Leonardo Plaza Jerusalem that the debtor made three payments using a VISA credit card with an expiration date of January 2028 to pay an outstanding balance of \$15,459 associated with the estate’s interest in a connected series of three hotel units under a long-term hotel lease agreement. While Mr. Klein is believed to be the card holder for the credit card that was used, it is unknown as to whether the credit card is registered to him personally or under the name of an affiliated entity. The following credit card payments were made to Leonardo Plaza Jerusalem:

- 9/7/23: \$6,000.00
- 9/9/23: \$6,000.00
- 9/14/23: \$3,500.00

The \$15,459 outstanding balance includes amounts due from pre-petition and post-petition periods.
